

SPICES or MEAL (GRAIN) GRINDING AND MILLING MACHINE

Product Specification		
1	Capacity	Up to 60-80 kg/hr
2	Grinding Item	Red chili, Coriander, Pepper, Dry leaves, Dry ginger, Herbs, Cereals, Grains, etc
3	Electric Connection	Single Phase
4	Voltage	220V
5	Frequency	50 Hz
6	Filling	50-300mm
7	Sieve Type Fineness	50-300 mesh
8	Power	3600 W
9	Outlet	It can fill and seal with weight of 0-50kg per bag
10	Sound	Noiseless
11	Heat generator system	Negative pressure conveyer <ul style="list-style-type: none"> • It is suitable for the milling of heat-sensitive materials

➤ **Features of this grinding machine**

1. Simple operation
2. Run stably, working efficiently, grinding at high speed.
3. Suitable for a variety of materials
4. Easily movable
5. Speed adjustment device
6. Switch button
